Overview

This Quick Reference Guide (QRG) is designed to walk users through linking their CITI Program Account to their UVA Institutional Account.

All UVA users must use their UVA ID to log into their CITI Account. This required NetBadge to be linked to their CITI Account. The first attempt to log in to CITI will prompt you to associate your SSO account with a CITI Program Account.

The next steps depend on whether the user already has an existing CITI Account.

If you do not have a CITI Program account already, continue.

If you have an existing CITI Program account, click HERE.
